

Hi Education.com Community!

Thanks for participating in this year's Education.com Halloween Art Contest.

We're looking forward to seeing the fall- and Halloween-themed art your kids create.

First things first: Please ensure that a parent or legal guardian has read and completed the information on the second and third pages of this form. *(We cannot accept any submissions from students without it.)*

Once your budding artist's work is complete, scan or take a picture of the **Submission Page** on page four of this form, along with the completed and signed **Consent Form** on page three of this form. *(Parents only* may also include an optional photo of their child.) Email these to Education.com at art@education.com.

Important notes:

1. Please be sure that a parent or guardian has completed and signed the forms on page three, as we cannot accept any submissions without this signature.
2. Ensure that the image or scan is clear and legible.

Get creative, have fun, and embrace fall! Once selections have been made, we will inform teachers and parents via email.

Thanks for participating, and thank you for being a part of Education.com!

Sincerely,

The Education.com Team
